

ARCHITECTURE DESIGN

Design. Supervise. Manage. Handover.

PRINCIPLES Design is a professional architecture and supervision practice established in 2013, delivering design excellence and disciplined site control across residential, commercial and institutional projects in the MENA region.

 Buildable Designs |  Cost-Conscious from Day One |  On-Site Supervision |  One Team End to End

Our Design & Supervision Process

Why PRINCIPLES Design?

 Under One Roof
 Mega-Project Discipline
 Cost Conscious
 Clear Communication
 Responsive & Reliable
 Regional Knowledge

Designs Today. Landmarks Tomorrow.

The team that draws your project is the team that protects it on site: no gaps, no finger-pointing between designer and supervisor.

2013
